I, _____, being duly-sworn officer, owner, manager of _____, a privately owned campground located in the State of New York, do hereby request membership in the Campground Owners of New York (CONY).

In applying for membership, I will if accepted, adhere to the principles set forth by CONY, whose principles are dedicated to the promotion, growth, and improvement of the privately owned campgrounds in the State of New York.

It is understood that membership in CONY also includes membership in the Northeast Campground Association (NCA).

It is further understood that my campground will be able to use the CONY logo in my advertising programs. It is understood that the use of this logo is extended only as long as the member campground is a member in good standing.

It is understood that no application is valid or will be acted upon until annual membership dues have been paid in full. Further, that dues will be returned to the applicant upon refusal of membership.

Please enclose your valid New York State Health Permit # _____ and expiration date _____.
