Mission: Campground Owners of New York (CONY) is an association dedicated to the promotion, growth, improvement, and development of independently owned campgrounds in New York State.

Vision: Campground Owners of New York (CONY) will be the model campground association by providing professionalism and diversity in our programs, education, services, advocacy and support for continued growth and collaboration within the outdoor hospitality industry.

Your minimum investment of only \$250 for annual associate membership fees supports our mission and vision, and allies you with a dynamic, for-profit trade association whose members own and/or operate some of the finest campgrounds and RV parks in the Empire State. Founded in 1963, CONY has grown from a fledgling association to one of the largest single state campground associations in the nation.

We truly believe that “Membership in CONY doesn’t cost, IT PAYS!”
